**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I use an independent ISP as they allow me to access the internet in an unfiltered and un-monitored way. Every person should have this right, and as the big companies have failed to provide this service, it should be made easier for more competition in the marketplace, and more providers to offer more choice to everyone. If everyone deserves access to OUR internet, everyone deserves the best ISPs possible.
